

WELCOME TO WOLVERINE DOG TRAINING CLUB!!!

NEW STUDENT CHECKLIST

We're so excited that you chose to train your dog with us!

FOR THE FIRST NIGHT OF CLASS, PLEASE BRING:

1. A hungry dog! Hold back part or all of their dinner depending on what time your class begins.
2. A collar and a six foot leash. We highly recommend a six- foot leather or biothane leash (no retractable leashes). A martingale collar is preferred (NO HARNESSSES). If you're not sure, please ask us before class. We may have leashes and collars available at cost. We're here to help.
3. A bait bag or fanny pack full of treats (it's easier to treat the dog) Preferably small soft ones so the crumbs don't get on the floor and something they can eat quickly. Nothing shredded please.
4. Bring some patience and a big smile!

PLEASE REMEMBER:

1. We cannot make up a class you miss. If you miss one, come in just a couple of minutes early to find out what exercises were missed. We do our best to help you catch up.
2. If Wolverine has to cancel a class for any reason, we will do our best to schedule a make-up class.
3. Limited family members are welcome to attend. There should only be one primary handler in the class to maintain consistency with your training. All individuals observing the class are required to sit in the designated area. Young children will be expected to sit quietly.
4. Your dog needs to know when he is right! Praise is essential to good behavior! Our methods emphasize positive reinforcement.
5. Wear clothes that will allow you to sit on the floor, if need be, and good athletic shoes. For your safety please **do NOT wear flip-flops, Crocs, sandals or backless shoes.**
6. For the safety of all dogs, please watch your dog at all times and keep them focused on you. Some dogs may react if dogs are allowed to stare or rush towards them.

INCLEMENT WEATHER POLICY: CHECK OUR FACEBOOK PAGE OR www.wolverinedtc.org
IF YOU HAVE ANY QUESTIONS, PLEASE CALL US AT 248-476-8650

Our training facility is heated and air conditioned and the training floor consists of a rubber material for the safety of you and your dog. We are located in the Orchard Lake Trade Center Building at:
20770 Orchard Lake Rd., Farmington Hills, MI 48336 (just north of 8 Mile Rd.)
